RE: **Friday's Covid-19 Announcement by Premier Doug Ford**
DATE: 17 December 2021

Given the announcement by the Premier, Doug Ford, this afternoon, congregational singing at Mass should be suspended from Sunday onward. On the other hand, this restriction does not apply to singing on the part of church musicians.

We continue to operate under the capacity of the restrictions already in place, and Dr Moore confirmed that we continue to follow the Worship Safe protocols for our liturgies.
